Duke University Center for the Study of Aging and Human Development and Asian/Pacific Studies Institute co-sponsored seminar on

**Interdisciplinary studies on healthy aging across American and Chinese populations**

(in the occasion of the visit to Duke University by the delegation of the Chinese Longitudinal Healthy Longevity Study (CLHLS))

**Time:** 15:45-18:00, Oct.4 (Tuesday)

**Location:** Conference Room 2W96, Duke University Medical Pavilion (DUMP). Note: DUMP is the new building/hospital addition. If you walk towards Duke North from the West campus via Duke South, you will pass the Cancer Center and enter the Medical Pavilion. Conference Room 2W96 is on the second floor. Please refer to attached Duke Medical Center’s map if you come from other direction.

**Speakers** (each speaker has about 10 minutes for presentation and 1-2 minutes for very quick & direct technical questions. At the end there will be about 10-15 minutes for open questions).

- **Prof. Angie O’Rand** (Director of Duke University Population Research Institute (DuPRI)): Healthy aging research at DuPRI.
- **Prof. Linda George** (Associate Director of Duke University Center for the Study of Aging and Human Development): Healthy aging research at Duke University Aging Center
- **Prof. Kirsten Corazzini** (Duke University School of Nursing): Adaptive Leadership and Person-Centered Care of Older Adults: The Duke School of Nursing
- **Prof. Mike Lutz** (Department of Neurology, Head of Computational Biology, Duke University): Identification and characterization of informative genetic structural variants for neurodegenerative diseases among elderly population.
- **Prof. Junxia Min** (Head of Genetics Study Unit, Institute of Translational Medicine, Zhejiang University): Gender differences in genetic contributions to longevity.
- **Prof. Huali Wang** (Head of Elderly Mental Health Research, Institute of Mental Health, Peking University): Integrative perspectives on mental health in older adults
- **Prof. Jiehua Lu** (Associate Director, Center for Healthy Aging and Development Study, Peking University): Suffering or Serene dying: factors affecting the quality of death among Chinese elderly, based on CLHLS data analysis
- **Prof. Lijing Yan** (Head, NCD Research, Global Health Research Center, Duke Kunshan University): Behavioral lifestyle and psychological factors, their interactions with genetics, and survival among the oldest old in China

18:00-18:25. A very simple reception after the seminar.
Appendix: List of the members of the CLHLS Chinese delegation

Junxia MIN, MD, Ph.D
Professor, Institute of Translational Medicine, School of Medicine, Zhejiang University, Hangzhou 310058, China; Tel +86 17767060111; Email:junxiamin@zju.edu.cn or junxiamin@gmail.com

Huali WANG, MD, Ph.D
Professor, Head of Elderly Mental Health Research Unit
Peking University Institute of Mental Health
Mailing address: No.51 Huayuanbei Road, Beijing 100191, China
Tel: +86-10-82801983, Fax: +86-10-62011769
Email: huali_wang@bjmu.edu.cn

Jiehua Lu, Ph.D
Professor, Department of Sociology
Associate Director, Center for Healthy Aging and Development Studies
Peking University
Mailing address: 5 Yiheyuan Road, Haidian District
Beijing, 100871, China
Tel:86-10-62757593
Email: lujiehua@pku.edu.cn

LI, JIANXIN, Ph.D
Professor, Department of Sociology, Peking University
5 Yiheyuan Road, Haidian District
Beijing, 100871, China
Tel: 861062769219; Email: ljx@pku.edu.cn

Lijing L. Yan, MPH, PhD
Associate Professor
Head, NCD Research, Global Health Research Center
Duke Kunshan University
No. 8 Duke Avenue, Kunshan, Jiangsu, China 215316
T: (+86) 512 3665 7057 | M: (+86) 186 1038 3698
